

## TAX YEAR 2024

- If you have questions when filling out the tax questionnaire, please visit our website, [www.machniccpa.com/faq/](http://www.machniccpa.com/faq/). Many helpful topics are covered there.
- The IRS has generated Identity Protection PIN's to some individuals. **We have no way of knowing who has been assigned a PIN.** You will receive this information directly from the IRS by LETTER. Please keep an eye out for any letters coming from the IRS. If you have had a PIN in the years past, it is HIGHLY likely you will have a PIN again this tax year. **If you fail to provide the PIN to us, and the e-file of your tax return is rejected due to lack of PIN, additional re-filing fees will apply.**

Do you (and/or your spouse) have an Identity Protection PIN? If yes, please provide the letter with your documents:     Yes             No

- If you have a dependent that has filed their own tax return, make sure that they have not claimed themselves **before you bring in your tax documents.** If your e-file is rejected, due to a dependent claiming themselves and therefore not claimable by you, additional fees will apply for the recalculation and re-filing of your tax return.
- An additional service we provide, separate from Tax Prep, is Tax Withholding Calculation. This may be necessary for a variety of reasons (you are not having enough withheld from your paycheck, your salary or dependents have changed, etc.) Please let us know if you would like us to calculate your withholding.

## **THINGS TO CONSIDER BEFORE BRINGING IN YOUR TAX DOCUMENTS:**

*By following these guidelines, you will add to the efficiency of YOUR tax preparation process.*

- Check your last year's tax return's original documents against this year's tax forms to see if you have all of the necessary forms. Typically, people have the same tax forms from year to year. When you drop off your tax documents, we do just this, to see if you are missing anything. This is especially helpful for those individuals that have multiple brokerage/retirement accounts.
- If you are missing documents, your tax prep will go into a "Hold" status. By making sure you have everything BEFORE you drop off, you will ensure that you get into the system immediately, without a delay, due to us awaiting additional information.
- **HAVE ALL OF YOUR TAX DOCUMENTS OUT OF THEIR ENVELOPES & PERFORATED MAILERS BEFORE BRINGING THEM INTO US.** This is a very time-consuming step for us.
- Keep like forms together. This will not only help you see what you have, but it will help us when we are preparing your file. (W-2's, 1099's, Mortgage, Student Loan, etc.) **PLEASE DO NOT TEAR APART THE PERFORATED W-2 OR 1099 FORMS. DOING SO WILL CAUSE THEM TO BE EASILY LOST.**
- Please place your documents in a disposable/paper envelope or paper clip when dropping off, as the envelope will be shredded once we process your documents. Do not leave over-sized plastic binders or folders (or any other folders or envelopes that you want to keep) with us, as we cannot guarantee they will be returned to you.
- **DO NOT BRING US YOUR RECEIPTS.** We do not need your Doctor, Pharmacy, Dental, Hospital, etc. receipts. We only need the totals for each category you have. You can simply write these totals on a sheet of paper and include it with your tax forms. The same is true for Charitable Donations. Separate donations into "cash" and "non-cash" totals. *If you have donated to an Indiana College or University, please provide those receipts.*

*By totaling your items, you will ensure that your tax return will not be delayed due to calculation of your receipt totals, as well as avoiding additional charges.*

- **Some items are NO LONGER deductible:** Union Dues, Continuing Education Expenses, Work Clothing/Shoes, Tools
- If you have bought or sold a house, we only need the Settlement Statement (also called a Closing Statement). It is typically legal sized paper(s) with all the final \$\$ amounts listed by line item. We do not need the entire packet the title company gives out at closing.
- We do not need a copy of your prior year's tax return UNLESS you are a NEW CLIENT. If you are a returning client, we already have your prior year's tax returns on file.

**Finally, a new tax questionnaire is REQUIRED EVERY YEAR by our insurance company. Our questionnaire is available on our website, [www.machniccpa.com](http://www.machniccpa.com).**

Thank you for choosing Mark R Machnic CPA to assist you with your tax preparation. This letter confirms the terms of our engagement and outlines the nature and extent of the service we will provide.

We will prepare your federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit.

A questionnaire and itemized deduction worksheet is provided to help you collect the data required for your return. The questionnaire and worksheet will also help you avoid overlooking important information. By using it, you will facilitate the efficient preparation of your returns and help minimize the cost of our services.

**Failure to complete the questionnaire may result in additional fees.**

We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will, of course, inform you of any material errors, fraud, or other illegal acts we discover.

You agree that in the event your return cannot be completed by the due date, it may become necessary for us to apply to extend the due date. Extensions are required when we do not receive information from you needed to prepare a return on a timely basis. Additionally, extensions may affect your liability for penalties and interest of compliance with government deadlines, and that we have no responsibility in that regard. Late payment penalties, underpayment penalties and interest charges accrue on any income tax that remains unpaid as of the original due date of your income tax returns.

The law imposes penalties when taxpayers underestimate their tax liability. If you have concerns about these penalties, please let us know.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Our fee will be based on the time required at standard billing rates plus out-of-pocket expenses. Invoices are due before tax returns are filed and payable upon presentation. Tax prep and postage fees will be debited from the bank or credit card account on file for completed returns not picked up within 30 days, and the return will be mailed to client.

We will return your original records to you at the end of this engagement. You should securely store these records, along with all supporting documents, canceled checks, etc., as these items may later be needed to prove accuracy and completeness of a return. We will retain copies of your records and our paperwork for your engagement for four years, after which these documents will be destroyed.

Our engagement to prepare your tax returns will conclude with the delivery of the completed returns to you (if paper filing), or your signature and our subsequent submittal of your tax return (if e-filing). If you have not selected to e-file your returns with our office, you will be solely responsible for filing the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them.

**This engagement does not cover any future tax notices that may arise associated with the tax return. Additional fees will apply for tax notice assistance.**
